6.30-8.30 PM

During a hot Melbourne summer Jovan's cleaning work at a bayside hospital is disrupted by acts of graffiti and violence becoming increasingly malevolent. For Jovan the mysterious words that must be cleaned away dislodge the poetry of the past. He and his wife Suzana were forced to flee Sarajevo and the death of their children.

Intensely human, yet majestic in its moral vision, Black Rock White City is an essential story of Australia's suburbs now, of displacement and immediate threat, and the unexpected responses of two refugees as they try to reclaim their dreams. It is a breathtaking roar of energy that explores the immigrant experience with ferocity, beauty and humour.
